User-friendly Operation Panel

Features and specifications:

- Equipped with 70 keys for single-zone PA and 10 keys for group PA. The bottom of each key has a space for labeling, avoiding the inconvenience of manual memory and note-taking.
- Each key is equipped with 3-color LED indicator (green/orange/red). Each color individually indicates the recent operation statuses: general PA, two-way intercom, and emergency alarming/door access. It helps users react in time.
- Equipped with one LCD monitor that displays: decoding/ communicating signal, telephone broadcasting in-use, multi-channel audio processor's volume, and other operation settings.
- Built in with a monitor speaker: as any emergent occasion occurs, users can monitor and hinder the suspect at the first time.
- It can connect the second panel for the extension to over 175 single zones and 25 groups.
