

◀ DPS Two-Way Digital Public Address System

ALL-IN-ONE Full Function Design

- Combines multiple control function: regional broadcast, emergency call, access control and energy management.
- Built-in telephone broadcast interface: other switching system integrable
- Built-in monitor speaker
- Equipped with an 8CH Mixer
- ALL-IN-ONE design simplifies operation and stabilizes the system.

◀ WSC-2100 Graphical Control Software

- Synchronizes with DPS main controller
- Emergency call and access control records can be shown and edited.
- Supports multi-computer simultaneous control

▲ Remote Decoder

- Integrates with DPS main controller for 2 way decoding broadcast
- A 3-colored LED for status indication
- Multi-color wires management
- Built-in 2 way intercom function

▲ WS-817 Two-Way Box Speaker

- 2 speakers in 1 box for better sound quality and increase sound pressure
- ABS white case, easy to fit in decoration
- Amplifier module integrable for teaching set use
- Remote control decoder integrable for broadcast/ intercom purpose

◀ WS-665 Box Speaker

- ABS white case, easy to fit in decoration
- Remote control decoder integrable for broadcast/intercom purpose
- Amplifier module integrable for teaching set use

◀ AWS-6502 Weatherproof Speaker

- Arc mounting design
- ABS cabinet built to handle outdoor conditions
- 2 way audio and circuit design
- Modern curvy appearance
- Equipped with "U" bracket for mounting
- IP66 waterproof certificate

PA Security Integration System

BXB PA software has a technique breakthrough! Text - to - speech was imported in the new software; it converts inputted text into speech, making the system even more user - friendly. Take timer clock as an example, schedule manager could simply text broadcast content in the software beforehand, and BXB PA system will broadcast the text automatically when specific time arrives. It saves the time of repeated recording and playing. What's even better, the software could integrate with mobile devices, facilitates timely broadcast. 2 languages are provided (English & Chinese) , pitch, speed, and circumflex can also be tuned.
